

**ApLM@Poly – A Day in the Life of an Air Traffic Controller (4 - 6 June)**

24 May 2024.

Dear Parent/Guardian

With your consent for your child/ward's participation in ApLM@Poly (Applied Learning Module), we are writing to share details of the ApLM.

ApLM@Poly broadens the learning experiences of students and complement the secondary school curriculum with a focus on the practical application of knowledge. These modules provide our students with applied learning opportunities – learning that involves doing and applying, learning about the real world, and learning for life. ApLM@Poly also allows students to discover their interests and strengths and make informed education and career choices.

The details of the programme are as follows:

ApLM@Poly: A Day in the Life of an Air Traffic Controller

Venue: Republic Polytechnic

Date: 4 to 6 June 2024

Time: 8.30 am to 5 pm

Attire: PE T-shirt, school skirt/pants

Students will report to school by 7.30 am. Two-way transport is provided and students will be dismissed from school upon arrival.

In addition, students are expected to attend all days of ApLM@Poly and if they are unwell, documentary proof must be provided to their Form Teachers.

For any queries, please contact me ([ng\\_wei\\_yin\\_carrissa@schools.gov.sg](mailto:ng_wei_yin_carrissa@schools.gov.sg)) at Tel: 6443 6848.

Thank you for supporting the holistic development of your child/ward.

Yours faithfully

Ms Lorraine Ng

HOD/CCE
