SSOE2 Communications & Change Management Team

(For Graduating Students) Student iCON users
Google Takeout Guide to Back up Student iCON Data
v1.2 | 4 October 2024

1. Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps).....Page 4

Option B: Download your data (applicable to all Google apps)..... Page 10

2. Part 2 - Backup Student iCON data without personal Gmail Account

Option A: Download your data (applicable to all Google apps).....Page 15

Note on use of different browser windows for transfer of content

For a more optimal experience when transferring your content with Google Takeout, you are recommended to **use 2 different browser windows** for **login to Student iCON account and personal Gmail account**. Please refer to the following for more information for the various web browsers.

Google Chrome web browser – 1 browser window for login to Student iCON account and 1 Incognito window for login to personal Gmail account. Refer to this [link](#) on how to browse in Incognito mode.

Microsoft Edge web browser – 1 browser window for login to Student iCON account and 1 InPrivate window for login to personal Gmail account. Refer to this [link](#) on how to browse in InPrivate mode.

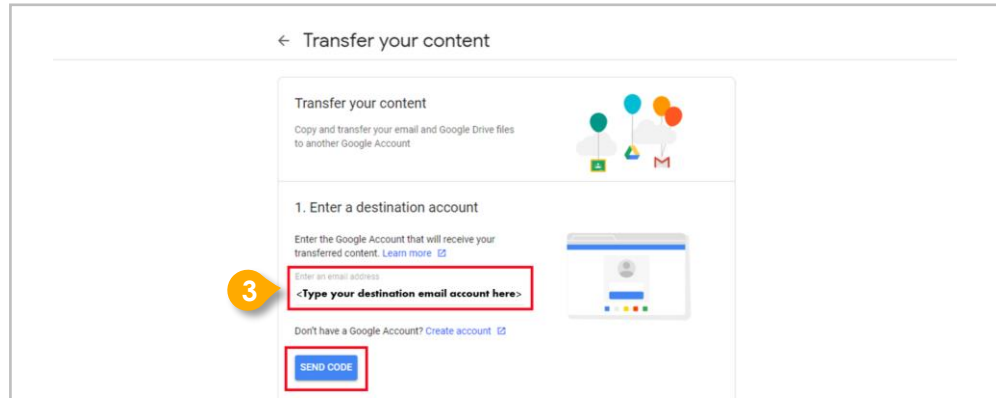

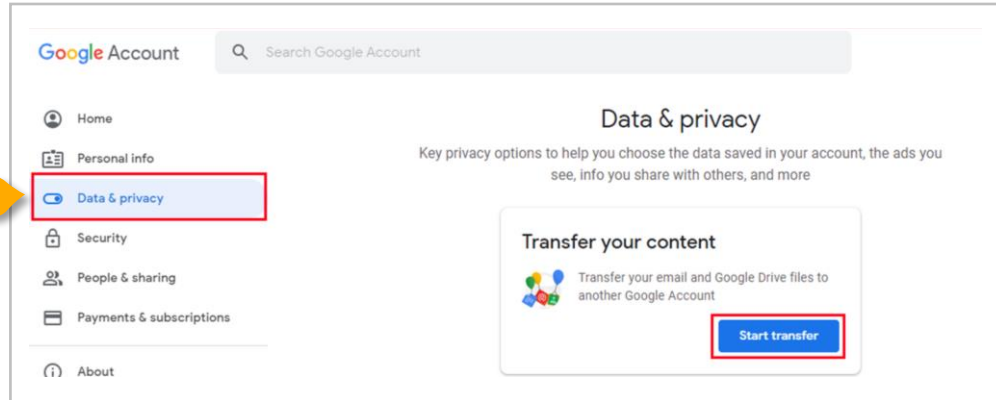

Safari web browser – 1 browser window for login to Student iCON account and 1 Private window for login to personal Gmail account. Refer to this [link](#) (for iPad) and this [link](#) (for Mac) on how to browse in Private mode.

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

Before logging in below, refer to **slide 4** for more information on the use of the various web browsers.

- 1 Login to Student iCON:
<http://myaccount.google.com/>
- 2 Under "Data & privacy",
Click on "**Start transfer**" on the
"Transfer your Content" widget
- 3 Enter your destination account to
transfer your data.
→ Click "**SEND CODE**"

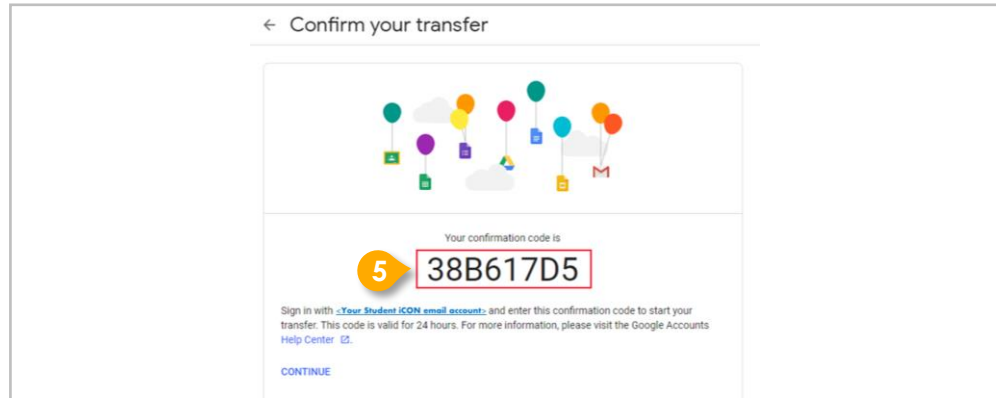

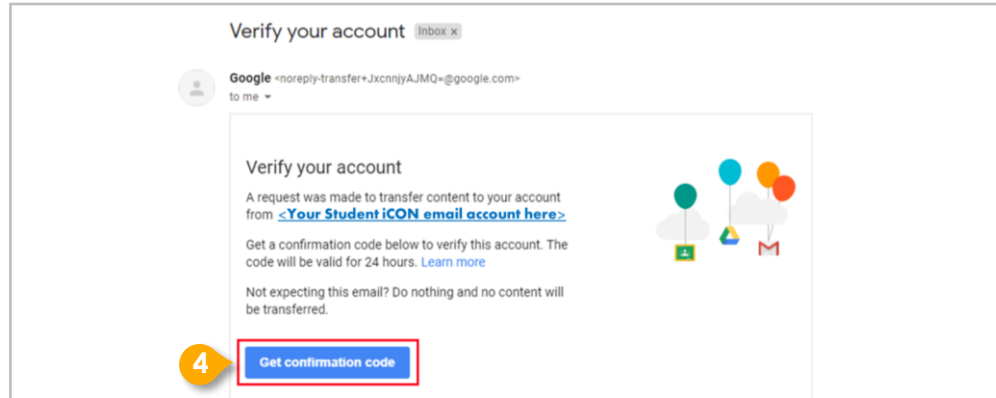

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

4 Check your destination email account inbox. You will receive an email to Verify your account.

→ Click “**Get confirmation code**”

5 Copy the confirmation code generated.

Part 1 - Backup Student iCON data to your personal Gmail Account

Option A: Transfer your content (applicable to Gmail and Drive apps)

6 Return to Google Takeout.

→ Enter the code under “Verify your destination account”

→ Click “**VERIFY**”

← Transfer your content

✓ 1. Code sent to [<Your destination email account>](#)

2. Verify your destination account

Check your [<Your destination email account>](#) email for a confirmation code and enter it here. It may take a few minutes for the email to appear in your inbox. [Learn more](#) [🔗](#)

Enter code

Part 2 - Backup Student iCON data without personal Gmail Account

Option A: Download your data (applicable to all Google apps)

4 Under "Choose file type, frequency & destination"

→ Click "**Create export**"

The screenshot shows the 'Google Takeout' interface. At the top, there is a back arrow and the text 'Google Takeout'. Below this is a section titled '2 Choose file type, frequency & destination'. Under this title, it says 'Export every 2 months for 1 year'. Below that, it says '6 exports'. The section is titled 'File type & size'. Under this, there is a dropdown menu showing '.zip' with a downward arrow. Below this, it says 'Zip files can be opened on almost any computer.' Below that, there is another dropdown menu showing '2 GB' with a downward arrow. Below this, it says 'Exports larger than this size will be split into multiple files.' At the bottom right of the form, there is a blue button labeled 'Create export'. A red box highlights this button. A yellow callout bubble with the number '4' points to the 'Create export' button.

Part 2 - Backup Student iCON data without personal Gmail Account

Option A: Download your data (applicable to all Google apps)

5 All set!

You'll receive an email once the export is complete.

The screenshot displays the Google Takeout 'Export progress' section. It shows that 40 of 40 products have been selected for export. Below this, it states 'Export progress' and 'Google is creating a copy of files from 40 products'. A note indicates that the process can take a long time (possibly hours or days) to complete and that the user will receive an email when the export is done. There are buttons for 'Cancel export' and 'Create another export'. Below this, it says 'Your Google data is ready to download'. The bottom part of the screenshot shows an email from 'Google Takeout <noreply@google.com>' to the user, with the subject 'Your account, your data.' The email body states: 'We've finished creating a copy of the Google data you requested on November 8, 2021. You can download your files until November 16, 2021. Your download will contain data from 41 products.' There are buttons for 'Manage exports' and 'Download your files'. At the bottom of the email, it says 'This message was sent to you because you recently used Google Takeout' with links to 'Privacy Policy' and 'Terms of Service'.
