Dear Parent/Guardian

Secondary 205A and 205B Values In Action (selected students) – Raising Awareness for the Elderly on Functional Health Screening

The school is partnering The Salvation Army Peaceheaven Bedok Arena to provide students opportunities to contribute and interact with the community. It has organised a functional health screening for elderly in the community and students would be visiting the elderly residents door-to-door to raise awareness and to encourage them to register for the event.

To provide an opportunity for students to be independent and to interact with the elderly residents, students will be taking public transport in groups, led by a peer support leader. They will report to the centre, undergo briefing before embarking on the session.

There will be adult volunteers from the organisation to demonstrate and guide the students on approaching the residents to explain and inform them about the event.

Date	Class	Time	Venue
27 July 2022 (Wednesday)	205A 205B	1.30 – 3.30 pm	Neighbouring blocks around Blk 187 Bedok North St 4

They will be dismissed from the venue and make their own way home.

Thank you for partnering the school in supporting the holistic development of your child/ward.

Yours faithfully
