

Dear Parent/Guardian,

This is Ms Evangeline Lim and I am the new CCA Teacher IC for Choir this year. Working alongside me is Miss Anne Yong who has been with the Choir last year as well.

We are excited for the year ahead with your child and are looking forward to working closely with you to support your child's growth and development.

This year, we will be working closely together with our new choral director, Mr Sean Foo, who will be providing the Choir with the direction for the year. While we do not have SYF this year, we will be working on refining the techniques of the Choir as a group and improving their musicality through a deeper understanding of solfege, note-reading, warm-ups and building up their repertoire of songs in different languages.

Should the opportunity be presented in line with the SMM, we hope to hold a performance at the end of the year and invite you to celebrate your child/ ward's achievements.

We look forward to a wonderful partnership in your child's/ward's education.

Sincerely,
Ms Evangeline Lim

P.S. Here are some photos taken of the students in the past few weeks. Some photos were taken during their warm ups, which explains the hand motions. These warm ups build up their muscles for singing.
