

Dear Parent/Guardian

We are pleased to inform you that your child/ward will be participating in the above-mentioned cohort level activity organised by the Science Department. The objective of this activity is to expose and equip Secondary Two students with the knowledge in the area of science and its applications beyond the classroom.

The activity will be conducted at the Singapore Science Centre from 2.30 pm to 5.30 pm. Details are as follow:

Date: 30 March 2022

Course: Chemistry in the Kitchen / A Jam Making Session

Students will be dismissed from lessons at 1.00 pm for lunch. Transportation will be provided to and from the venue.

In view of the current Safe Management Measures, the school will observe all health and safety advisories during the duration of the enrichment activity. The teachers will supervise the students at all times to ensure that safety measures are in place.

For clarifications, please contact Ms Candice Lui at Tel: 6443 6848 or email address: lui_yi_ling_candice@schools.gov.sg.

Thank you for your continued support as partners in education to nurture and develop your child/ward.

Yours faithfully

Ms Candice Lui
Science Enrichment Activity Coordinator
