

Dear Parent/Guardian,

World Thinking Day (WTD) is a commemorative event where guides from all across Singapore congregate to renew their promise and celebrate world friendship. This year, a scaled down commemorative event will be held as schools are highly encouraged to celebrate WTD as a unit. This year's celebration will be conducted online via Zoom. Activities conducted during the celebration will be a virtual Upcycling: Learn, Share, Teach!, Panel Discussion on Gender Equality, WTD Greetings to International Friends and many more.

Details of the celebration are as follows:

Activity: World Thinking Day Celebration 2022

Date: 19 February 2022, Saturday

Time: 9.15am – 11.45am

Zoom details: Zoom meeting url will be passed through the guides during CCA on Thursday.

Please note that attendance is compulsory for all guides. In the event that your daughter/ ward is unable to attend the above activity due to valid reasons, supporting documents (eg. medical certificates, letters) are required to explain her absence.
