

Dear Parents/Guardians

As the first term draws to a close, we would like to share with you some highlights and activities that your child/ward has gone through with us in Modern Dance.

We are happy to observe the Sec 1s getting more confident with their dance skills as their seniors and instructor guide and mentor them during practice.

To tap on creativity and hone choreography skills, we have also encouraged and given our dancers time and space to adapt and create dance moves which are in sync with contemporary music. Through this, dancers of different levels work together to create a smooth and coherent dance item which will be showcased at the end of Term 2. The exchange of ideas and sharing of experience and knowledge gives them opportunities for interaction and cooperation which facilitate team bonding team spirit.

Dancers also work together to put up a memorable farewell party for the Sec 4s and 5s. This includes them giving appreciation speeches, putting up performances and walking down memory lane with their seniors.

We would like to commend the graduating Sec 4s' and 5s' dedication and commitment to Modern Dance and we appreciate their efforts in guiding and role modeling good values to their juniors. We wish them all the best as they prepare for the national exams.

On behalf of Modern Dance,

Ms Maryam Anuar, Teacher IC
