Step to shortlist polytechnic courses

The screenshot shows the MOE CourseFinder homepage. At the top, there's a navigation bar with links to SchoolFinder, CourseFinder, Academic calendar, Quick links, and a 'My shortlisted (21)' button. Below the navigation is the Ministry of Education Singapore logo and a search bar. The main content area has a breadcrumb 'MOE > COURSEFINDER >' and a 'Last Updated: 09 Jun 2025' timestamp. A 'How to use CourseFinder' link is also present. The central part of the page is titled 'CourseFinder' and includes a sub-instruction: 'Explore courses based on aggregate type, score, type of institute and area of interest.' Below this is a search bar with dropdowns for 'Polytechnics' and 'Search for a course or course code e.g. "Biomedical Science" or "N59"', and a 'SEARCH' button. To the left, there are filtering options under 'Criteria' for 'Polytechnics' (Nanyang Polytechnic, Ngee Ann Polytechnic, Republic Polytechnic, Singapore Polytechnic, Temasek Polytechnic) and '2025 JAE aggregate' (Aggregate type: Select an aggregate type, Net aggregate score: 0). The main content area displays 'Courses in Polytechnics' with 196 courses listed. Each course card includes the course name, code, admission types, institution, and aggregate requirements. A green box at the bottom left of this section contains the instruction: 'Step 1: ‘Heart’ to shortlist the course.' A red arrow points from this box to the heart icon on the 'Accountancy' course card.

Step 2: Click “My shortlisted” to see the list of courses you shortlisted.

Steps to launch the “tutorial” on using CourseFinder

The screenshot shows the CourseFinder homepage. At the top, there's a navigation bar with links for SchoolFinder, CourseFinder, Academic calendar, Quick links, and My shortlisted (21). Below the navigation is the Ministry of Education Singapore logo. A search bar is present, along with links for Education levels, Financial matters, Education in SG, Newsroom, Careers, and About MOE. The main content area is titled "CourseFinder" and says "Explore courses based on aggregate type, score, type of institute and area of interest." On the left, there's a dropdown menu for "Polytechnics" and a search bar with placeholder text "Search for a course or course code e.g. "Biomedical Science" or "N59"". A blue "SEARCH" button is next to it. On the right, there's a link "How to use CourseFinder".

Step 1: Click ‘How to use CourseFinder’ to launch the tutorial.

This screenshot shows the search results for "Polytechnics". The sidebar on the left shows a dropdown menu for "Criteria" with "Polytechnics" selected. Under "Polytechnics", there are checkboxes for Nanyang Polytechnic, Ngee Ann Polytechnic, Republic Polytechnic, and Singapore Polytechnic. The main content area displays "Courses in Polytechnics" with "Showing 196 courses". A specific course, "AI & Data Engineering" (Course code: C31), is highlighted with a red heart icon. Below the course details, it says "Admission Type: JAE, DAE, JPAE, Poly EAE, PFP".

Step 2: Go through the steps by clicking “Next”.

This brings you through the different features of CourseFinder and how to use them.

This screenshot shows a modal window titled "Learn to use CourseFinder" with the sub-instruction "Take a short tour to learn how to find and shortlist courses.". It includes "Skip", "PREVIOUS", and "NEXT" buttons. The background shows the CourseFinder interface with the same search results for "Polytechnics" and the "AI & Data Engineering" course. The "How to use CourseFinder" link at the top right of the page is also visible.

Steps to shortlist JC/MI courses

The screenshot shows the MOE SchoolFinder homepage. At the top, there's a navigation bar with links for SchoolFinder, CourseFinder, Academic calendar, Quick links, and a red heart icon labeled "My shortlisted (31)". Below the navigation is the Ministry of Education Singapore logo. The main content area has a breadcrumb navigation (MOE > SCHOOLFINDER >) and a note that it was last updated on 11 Jan 2024. There's also a link to "How to use SchoolFinder". The main feature is the "SchoolFinder" section, which allows users to explore schools based on distance from home, locations, CCAs, subjects, and programmes offered. A search bar at the top of this section lets users search for schools or keywords like "Admiralty" or "football". On the left, there are filters for "Criteria" including "Electives and programmes", "Admission type" (with an option for "Direct School Admission (DSA)", which is currently unchecked), "Support for special educational needs", and "Subjects". The right side displays a list of "Junior Colleges and Millennia Institute" with 22 entries shown. The first entry is "Anderson Serangoon Junior College", located in Hougang at 1033 Upper Serangoon Road, S534768. It has a 2025 JAE L1R5 net aggregate of Arts: 7 - 11 and Science: 5 - 10. A red heart icon is displayed next to the school name, indicating it's been shortlisted. Below the school details, a note states: "The school is currently located at a temporary site, 1033 Upper Serangoon Road, Singapore 534768, due to upgrading. It will move back to its permanent location at 4500 Ang Mo Kio Ave 6, Singapore 569843, in December 2027."
